this beautifully illustrated book offers the most readable collection of myths on the market perfect for readers diving into the current popularity of folklore and mythology handpicked from various cultures and eras this gorgeous gift edition takes you on a journey across the globe with over 240 enthralling myths in this beautifully illustrated gift edition you ll discover more than 240 mythological tales from around the world featuring gods heroes princesses villains magicians and monsters as well as animals

with extraordinary powers let this collection guide you through stories from every corner of the globe from ancient egypt greece and rome through the vikings to the slavic east japan and china and the americas each culture is rich in folklore and magical tales and this book offers a fascinating introduction to them all this is a radical collection of stories filled with voltage whether ninety or nine there s something in these tales that wants to speak directly to you from tales of creation and the first humans to apocalyptic battles at the end of time explore the most thrilling tales in all mythology thunder god thor losing his hammer theseus callously abandoning ariadne after defeating the minotaur hindu god shiva destroying his rival kama with a blast of flame egyptian goddess isis forcing the sun god to reveal his name and much more

covering such issues as the aims of science the role it plays in our civilization the moral responsibility of the scientist the function of a university and the choice between reason and revolution this book defends science and rationality against distortions of its aims and ideals

this book examines the phenomenon of the russian intelligentsia as a cultural story or myth it focuses on one of the most important and influential groups of russian intellectuals the 1960s generation or sixtiers who devoted their lives to defending socialism with a human face authored perestroika and were subsequently demonized when the reforms failed

this book was first published in 2004 plato aristophanes and the creators of the orphic gold tablets employ the traditional tale of a journey to the realm of the dead to redefine within the mythic narrative the boundaries of their societies rather than being the relics of a faded ritual tradition or the products of orphic influence these myths can only reveal their meanings through a close analysis of the specific ways in which each author makes use of the tradition for these authors myth is an agonistic discourse neither a kind of sacred dogma nor a mere literary diversion but rather a flexible tool that serves the wide variety of uses to which it is put the traditional tale of the journey to the underworld in greek mythology is neither simple nor single but each telling reveals a perspective on the cosmos a reflection of the order of this world through the image of the other

superheroes have been an integral part of popular society for decades and have given rise to a collective mythology familiar in popular culture worldwide though scholars and fans have recognized and commented on this mythology its structure has gone largely unexplored this book provides a model and lexicon for identifying the superhero mythos the author examines the myth in

several narratives including buffy the vampire slayer green arrow and beowulf and discusses such diverse characters as batman wolverine invincible and john constantine

gathers folklore about the creation of the world the characteristics of animals the first fire and cherokee history and culture

in this influential work rank explores the origins and meanings of the hero myth in various cultures and civilizations he argues that this myth speaks to something deep and universal in the human psyche and that it is an expression of our deepest fears and aspirations this book has been highly influential in the field of jungian psychology and continues to be an important work in the study of mythology and folklore this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

a collection of tales from ancient myth and legend isis and osiris gilgamesh hercules pandora quetzalcoatl and other larger than life figures populate these pages in a wonderful treasury for all ages

traces the attempt by christians to find a motive for alleged jewish ritual murders of christians from the 12th century when there were more christian polemical treatises against jews than in all previous centuries the search for an explanation of ritual murder led to a fusion of theological and natural scientific notions jewish males were believed to have a flux of blood via hemorrhoids both due to theological considerations see mathew 27 25 his blood is on us and on our children and interpretations of samuel 5 6 12 and ps 77 66 and contemporary medical ideas that a defective diet and life style including melancholy fear and idleness caused bleeding these were combined in de vitry s history of jerusalem ca 1221 which was apparently the first literary source to state that

like women jewish men had monthly flows of blood the conclusion drawn by christians was that jews believed that this ill and others could be cured by using christian blood rather than by conversion to christianity where they might be saved by the blood of christ this explanation of the jews alleged need for christian blood was actually cited at trials for ritual murder
